

Investing for Success

**Under this agreement for 2022
Crestmead State School will receive**

\$1,064,000*

This funding will be used to

- Improve English level of achievement (LOA) outcomes for all students.
- Support staff in delivering high yield signature pedagogies in reading and writing.
- Assist staff in creating a safe and supportive learning environment.
- Provide additional support for students with disabilities and at risk students.
- Deliver resources to students to improve learning outcomes.

Our initiatives include

- Improving teacher capability through coaching and professional development.
- Providing focused and intensive teaching targeted at students requiring additional support in order to improve the quality of their demonstrations of learning against the relevant year level achievement standard.
- Employing additional staff (teaching and non-teaching) to support English, maths and inclusion.
- Embedding the 14 parameters (Sharratt) into teaching and learning across the school.
